Dear Epiphany Formation families: Since Epiphany does not have a school, and we feel it is important for families to build friendships and form a “class identity,” we encourage you to become part of our group, known as “Family Connections.” Similar to the Class Parent concept in schools, we ask for parents to volunteer to coordinate social events for the kids and parents. It is entirely up to the parents to decide how often to meet, (at least twice is recommended) where to meet, and what fun activities will take place. Any expenses are funded by you, the parents. Parents must accompany and be responsible for their child(ren) at the events, or, assign another adult to take their place. You may use Epiphany grounds for your events, as long as the date is planned in advance.

Please indicate if you’d like to be part of “Family Connections,” and also if you would like to serve as a “Class Parent.” Please know that this works better when we have more than one “Class Parent” per grade. Detach the above portion of this note, and return to us with your child’s **Parish Family Formation Registration.**

We’re looking forward to another, faith-filled and fun-filled, Parish Family Formation.
