

**Epiphany Newborn Ministry's mission is to assist families of newborns and adopted newborns as they begin their life's journey with our faith community.**

We are offering to bring a meal every other day for 2 weeks following the arrival of the newborn. The time period can be immediately after the mother and child comes home or a little later (for example - grandmother arrives to help for a week and you would rather have our help after grandmother leaves).

If you need an errand to pick up medicines or food, we can help you with that need. If you are unable to drive and need transportation to/from a Dr.'s appt., we can help.

If you have a question about dealing with a newborn, we can put you in touch with an experienced Mom Mentor who knows all about diapers/formula/crying etc. and can give you a shoulder to lean on.

We also have a Certified Lactation Counselor to advise you in nursing your newborn.

Please feel free to call Melinda Hileman @ 243-3105 or Janice Demyer @ 244-6114 with any questions or needs you may have.
