

# Singles Explore Life

May, 2010

Volume XIII, Issue 5

## **Mission Statement**

*SEL's (Singles Explore Life) mission is to provide time for those singles over forty (40) years of age to come together to meet other people, to socialize, to explore areas of enhancement for our personal lives, and to seek God within us, exploring that relationship with God and God's likeness in us all. We also strive to become more aware of persons traveling similar roads and to seek connections with them should that be feasible*

**Ken Aizawa (5/05), Jan Miller (5/15), Lisa Scherer (5/26),  
and Nancy Aulenbach (5/30)**

**For our May SEL event** we are going to do something a little "jazzy", and on a Wednesday evening. The Theater Square Marketplace, located at 651 South 4th Street, provides music from the VoJazz Trio from 6:00-9:00 PM. Happy hour is from 5:00-7:00 PM. They also serve dinner, if we are so inclined to enjoy. It's a very nice atmosphere. You can go to [www.theatersquaremarketplace.com](http://www.theatersquaremarketplace.com) to view the setting. The date for our outing will be Wednesday, May 19th. If you would like to join us, give Brenda Childress a call at 451-1231, or e-mail me at [childressbrenda@bellsouth.net](mailto:childressbrenda@bellsouth.net). We will chat, relax, laugh, munch, and imbibe...maybe not in this order.

## **WE WERE DEFINITELY BLEST ON OUR ANNUAL TRIP !**

The weekend of April 16, 17, and 18, twelve members of S.E.L. went to Pine Mountain State Resort Park. We rented three beautiful, easily accessible cottages nestled in the woods among the tall trees. We had come together for our annual weekend of rest. Some of us went hiking along the trails, while long-standing friendships were strengthened and new ones were made with some of our new-found Pine Mountain companions. We were not disappointed. The side trips to uncharted places to eat were interesting.

The trip and brief hike to the top of the mountain, where we were able to view the Gap itself at the Cumberland Gap State Park, left us breathless. We viewed some short videos at the park Visitors Center about the westward expansion in this area by the first settlers which was certainly interesting and informative. We all left there with a much better understanding of what happened at the Gap when the pioneers first came over these mountains.

We were blest with **the bluest of skies**, and the *most beautiful scenery* with the **dogwoods** and **redbuds** in bloom and the *mountain laurel* just beginning to blossom. The *temperatures could not have been more perfect*. God must have ordered the weather especially for us.

Most importantly, it brought our small group together in prayer. In reflection, we were able to spiritually be with one another and we were able to lean and depend upon each other through this weekend.
