

# Singles Explore Life

September, 2010

Volume XIII, Issue 9

## Mission Statement

*SEL's (Singles Explore Life) mission is to provide time for those singles over forty (40) years of age to come together to meet other people, to socialize, to explore areas of enhancement for our personal lives, and to seek God within us, exploring that relationship with God and God's likeness in us all. We also strive to become more aware of persons traveling similar roads and to seek connections with them should that be feasible*

For those of you who have not made a contribution to our Sunshine Club for the 2010 – 2011 year, please send your \$5.00 donation to Brenda Childress, 4404 Dannywood Rd., Louisville, Kentucky 40220. We had quite a turnout at our annual meeting and a lot of "Sunshine Money" was collected then.

On October 16, 1860, Louisville Water Co. pumped water to its first 512 customers. This year marks 150 years of operation that began at Pump Station No. 1, now a historic landmark, located at Zorn Avenue and River Road.

On September 15th, we will be going on a free tour of the Crescent Hill Gatehouse. We will meet at the reservoir at 6:30 p.m. There is an exhibit of historic drawings and photos, and a presentation of Louisville Water history offered inside the Gatehouse. Walk around the reservoir – it is almost a mile. For those interested, we will then get something to eat at Kayrouz's. Contact Lynne Webb to make a reservation at [justlmw@att.net](mailto:justlmw@att.net) or call 895-1557.

**Happy Birthday to Jerry Poschinger (9/10), Dottie Aulbach (9/29).**

**Continue to keep Dottie Aulbach and Pat McWilliams in your prayers**

Thanks to Gina Willenbrink and all of her planning, several persons ventured out early on a warm Saturday to visit the sculpture exhibit at Yew Dell Gardens. If you have not gifted yourself with a visit there, you are missing one of this area's hidden secrets. The walk around was done in a leisurely fashion – we were able to enjoy the flora, the trees, the waterfalls, and the sculptures done by local artists. It was truly an enjoyable outing. A poem found in one of the gardens .....

““Nobody trips over the mountains.  
It is the small pebble  
That causes you to stumble.  
Pass all of the pebbles in your path  
And you will find  
You have crossed the mountain”

The SEL Book Club has chosen “Little Bee” for our next read. If you would like to attend the next discussion group, we will meet on October 20<sup>th</sup> at 6:30 p.m. at Calistoga's restaurant. Everyone is welcome!
