Mission Statement

SEL's (Singles Explore Life) mission is to provide time for those singles over forty (40) years of age to come together to meet other people, to socialize, to explore areas of enhancement for our personal lives, and to seek God within us, exploring that relationship with God and God's likeness in us all. We also strive to become more aware of persons traveling similar roads and to seek connections with them should that be feasible.

**CHRISTMAS GALA OPEN HOUSE

SCIENCE HILL IN SHELBYVILLE
NOVEMBER 7 - 11:15 a.m.**

**Come Join Us For a Kick-off To the
Christmas Season in Shelbyville!**

We'll start with lunch at 11:15 at Science Hill, followed by visiting their Christmas Open House. I understand that other shops in historic downtown Shelbyville will also have an Open House. So after lunch there will be plenty of time for those who want to browse.

If you want to go, leave a message on my cell phone – (216) 956-9613. Only the first 14 who sign up can go.

If you want to carpool, let's meet at the Epiphany parking lot at 10:30. The reservation will be under my name.

DO YOU KNOW THE DIFFERENCE BETWEEN A CAVE AND A CAVERN?

Well those of us who visited the MEGA CAVERN on Saturday, Sept. 19th, learned the difference. Everyone enjoyed the tour through the cavern and gained knowledge of the history and uses for the cavern past, present and future. By the way, a cave is made naturally over millions of years, and a cavern is man made. If you want to check it out for yourself, go to:

**O, with what freshness,
what solemnity and beauty,
is each new day born;
as if to say to insensate man,
'Behold!
Thou hast one more chance!
Strive for immortal glory!'**
